Kareem Wael

Cloud Security Engineer

Riyadh, Saudi Arabia | kareem.wael@example.com | +966 55 555 0303 | linkedin.com/in/kareem-cloudsec

PROFESSIONAL SUMMARY

Cloud Security Engineer with experience securing AWS environments, IAM policies, logging, and DevSecOps pipelines. Strong in cloud governance, infrastructure security, and automation.

CORE SKILLS

AWS • IAM • CloudTrail • GuardDuty • Security Hub • Terraform • Docker • GitHub Actions • Linux • DevSecOps

EXPERIENCE

Cloud Security Engineer | SkyDefend *2023 - Present*

- Reviewed IAM roles and policies and reduced over-privileged access.
- Configured CloudTrail, GuardDuty, and Security Hub for centralized visibility.
- Added infrastructure security checks to CI/CD pipelines.

Cloud Engineer | InfraWave *2022 - 2023*

- Managed AWS resources using Terraform and supported logging and monitoring setup.
- Applied baseline hardening for EC2 and container workloads.

EDUCATION

B.Sc. Network Engineering, King Saud University, 2022

SELECTED PROJECTS

- AWS Security Baseline - Terraform
- CI/CD Security Scanning Pipeline

CERTIFICATIONS

AWS Certified Security - Specialty
